Gentlemen,

I would like to take the opportunity to thank you for the extraordinary support we have received from your foundation. Throughout my four years as a Midshipman in the USC Naval ROTC Unit, the constant encouragement and appreciation we have experienced working with the Land of the Free Foundation has made a noticeable impact on our success. The training and education we receive here will undoubtedly help us to become outstanding Naval and Marine Corps officers, and it is all made possible through charitable donations like yours. I have full faith and confidence that the money will be put to great use, and that the students in our Unit will be one step closer to fearlessly leading our marines and sailors because of it.

Again, on behalf of myself and the entire Trojan Battalion, thank you so much for your generous donation. We couldn't do what we do without the continued support of organizations such as yours.

Semper Fidelis and Semper Fortis,

MIDN 1/C Celine Doerr
USC NROTC Battalion Commander
