

11 November 2010

Dear Ed,

Kent —  
Came by  
Gail too

Ballard Spahr is pleased to support the important work of the Land of the Free Foundation. The families who have sacrificed so much for us certainly deserve more than just our sympathy, and you (+ John + Kent) have established a fitting and lasting way to show our gratitude. May we never take our freedom for granted!

your friend,

Mike Allen
