John,

I want to personally reach out and say thank you for the really generous and unexpected \$20,000 (!) gift from Land of the Free Foundation, to support Veterans In Arts, our transitional employment program for vets referred to us through the Compensated Work Therapy program of West LA VA.

I'm sorry it's taken me a while, to find my way to doing this - I've been consumed by personal matters and I'm finding a moment to focus my attention on my truly heartfelt appreciation.

I'd love to take you to dinner to say 'thanks' properly and even introduce you to a couple of the 61 vets we have hired and who have "landed" in a positive place, partially as a result of our inter-actions with them, if you have interest and/or the time/inclination?

Also, we're negotiating now for free use of Patriotic Hall, downtown for a Shakespeare-inspired MCLE program on April 23rd, with Richard Dreyfuss and 'pound of flesh' trial scene from The Merchant of Venice.

We're also looking for a veteran owned catering company, if you know of any?

Thanks again for the amazing and deeply appreciated contribution.

Ben Donenberg
